Digital Contracting in all confidence

# VIALINK SIGN

Digital Contracting in all confidence

## Dematerialization of the client onboarding process and contracts

- ▶ Contracting **100% online**
- ▶ **Zero paper** as of the client onboarding process
- ▶ **Simplified** client track

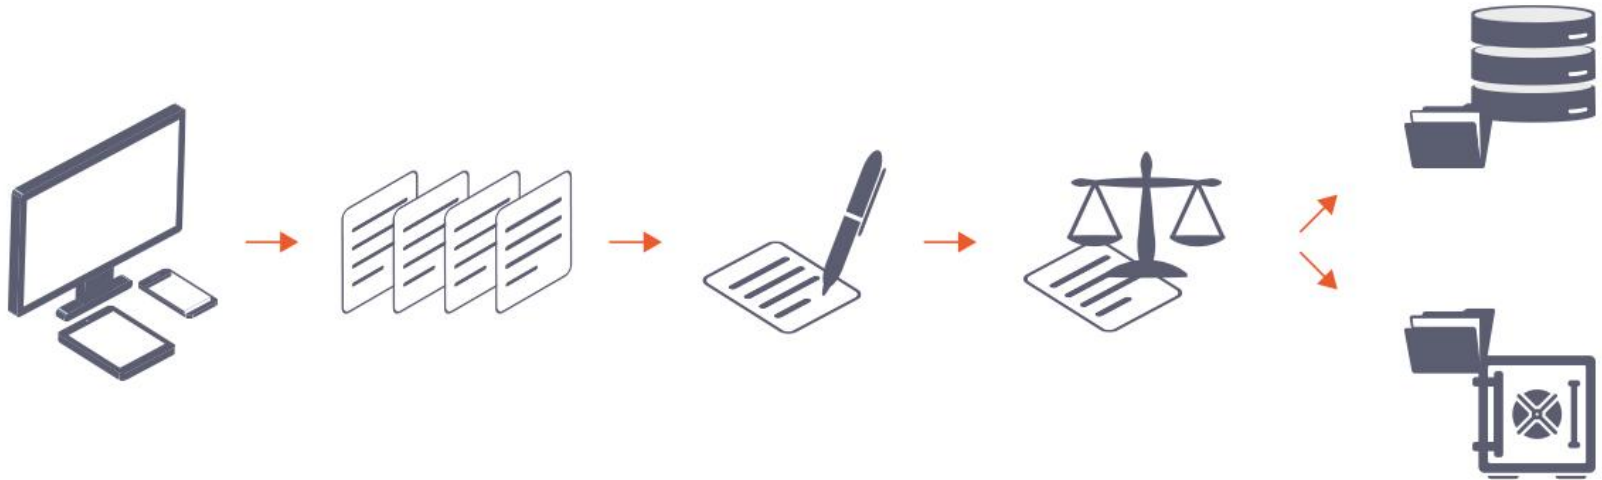

# VIALINK SIGN

Digital Contracting in all confidence

One **single solution** of signing throughout your entire organization

**Online, at distance, in shops, mobile...**

# VIALINK SIGN

Digital Contracting in all confidence

## VIALINK SIGN offers you the opportunity to:

- ▶ Increase your sales
- ▶ Optimize your ROI
- ▶ Legal protection
- ▶ Fast implementation

A legally binding electronic signature (law n°2000-230 du 13/03 2000)  
A file of proof receivable in case of litigation

Reduction of the sales cycle x3

Gain time, simplified processes, a ROI of less than 12 months

A SaaS solution

# VIALINK SIGN

## Summary

- ▶ An **easy and fast** solution to implement
- ▶ A **24/24, 7/7** service in SaaS mode
- ▶ A **Multi Channel** (face to face / tablet, sale at distance, website) and **Cross Channel** solution
- ▶ **Simplicity** for your clients: contracting everywhere, anytime without time or place constraints
- ▶ A solution which can be easily **integrated** with our other solutions
